General Information

Course selection — Track I is designed for the novice Virginia researcher. Track II is for the more experienced Virginia researcher. Neither track is recommended for the beginning genealogist.

Registration will be accepted as long as space is available, but classroom seating is limited. Late registrations cannot be guaranteed a syllabus notebook, or overnight accommodations.

VIGR has a non-discriminatory policy toward enrollments. Applications are accepted on a first-come basis without regard to sex, race, creed, color, or national or ethnic origin.

Roslyn — This quiet retreat (a walking campus) offers the perfect setting to study and learn about Virginia.

Classes on resources and techniques will be taught by noted Virginia researchers. In the evenings, you are invited to join discussion groups, enjoy the recreational opportunities, or just relax.

Accommodations — Single or double sleeping rooms are available. Meals are served cafeteria-style in the dining room. In order to accommodate everyone, several rooms must be assigned as doubles. This is a great way to make a new genealogy friend. We will match you with a roommate if you don't have a preference.

The conference center rooms do not have elevators, telephones or televisions. If you need hotel amenities, please contact the VGS office for a list of nearby motels.
